* Fundraising counsel registration is only required if the consultant has custody and control of contributions.

* Commercial co-venturer (CCV) is not defined in IL law. However, the IL Attorney General has verbally stated that CCVs register as charitable trusts.

This chart provides a general overview of states that have charitable solicitation registration and/or filing requirements. Please note that specific state statutes define these categories somewhat differently and may also have exceptions, limitations or exemptions to the registration/filing requirements that are not reflected in this chart. A careful analysis of each state's law is necessary to determine which requirements may be applicable to your organization.
